Driver's License Check Form

In order to utilize BISSD vehicles, BISSD by law, must have a current Driver's License Check on file. BISSD Transportation Director will administer the pull and review the request. Once approval process is completed, you will receive a conformation email with current findings and the district's decision. Please note that by signing this document below you are consenting to a complete Driving History that will be kept on file for insurance purposes for the remainder of your career with BISSD. This check will be done annually each school year. Thank you again for your outstanding work with our students. Have a great school year and remember "Safety First"!
