

What is the CMSSA School-Parent Compact?

The CMSSA school parent compact for student achievement offers ways that parents, students, and teachers can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. The school parent compact was jointly developed with parents, administration, and teachers. Meetings are held each school year to review the Compact and make changes based on student and parent needs.

Effective Compact:

- Offer opportunities for parents to observe, volunteer and participate in the classroom.
- Focus on student learning skills.
- Link to academic achievement goals.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Visit the Parent Portal at www.canutillo.org and learn about your child's progress (teacher emails are found in Parent Portal).

Communication is the key!

Important dates!

- Parent/Teacher Conferences-Fall Oct. 6th 8am-12pm ON LINCE with appointment with each teacher; 1pm-5pm IN PERSON
- Parent/Teacher Conferences-Spring March 24th 8am-5pm

SCHOOL PARENT COMPACT FOR STUDENT ACHIEVEMENT 2021-2022

Mission Statement:

The faculty and staff of Canutillo Middle School will empower students to be the motivational force behind their own future success by modeling citizenship, leadership, and a desire for life-long learning.

Vision Statement:

A culture of academic excellence built on collaborative leadership and innovative instruction at Canutillo Middle School will produce accomplished scholars and community leaders able to meet future challenges of an evolving global society.

School Goals

- ⇒ In all grade levels, CMSSA will focus on writing to learn activities in all subjects and Project based lessons each semester in all classes.
- ⇒ All students will be monitored for learning gaps and or weaknesses in all core subjects.
- ⇒ Reading fluency and comprehension will be supported and monitored across all content areas.
- ⇒ Academic instruction will be highly engaging, rigorous, and student centered.
- ⇒ All students will be active participants in STEAM Academy courses.
- ⇒ Highly engaged and student centered classroom environments.
- ⇒ All students will pass or advance in the STAAR test.
- ⇒ By May 2022, student's Master's Reading score for grades 6-8 STAAR will go up; Students Masters Writing in 7th grade score for grades 7, STAAR will improve; Student Masters in Math, for grades 6-8 STAAR and Algebra 1 EOC will go up.

Core Beliefs

Culture of Excellence

Student Centered

High Expectations

Accountability

Transparency
