

INSTRUCTION

Centrum and the Schools

The Board of Directors believes that students in the Port Townsend School District should be encouraged by the faculty and administration to participate in Centrum activities. The unique opportunities for learning at Centrum can not be replicated in the Port Townsend schools. Student participants should be rewarded for their selection, and in no way should their grades be affected because of their absence from a class while attending Centrum activities.

The administration is directed to establish rules and regulations for the implementation of this policy.

Date: 9/24/79; 3/24/97; 11/22/04.

PORT TOWNSEND SCHOOL DISTRICT NO. 50
