Hiring of Retired School Employees

The district shall recruit, select and employ the best-qualified individuals as employees. The district may employ persons retired from the Teachers' Retirement System (TRS), the School Employees' Retirement System (SERS) or the Public Employees' Retirement System (PERS). A retired employee shall only be rehired pursuant to this district policy.

All retirees of TRS, SERS or PERS may work an annual threshold of eight hundred sixty-seven (867) hours per year while receiving retirement benefits. The annual threshold for TRS Plan 1 retirees is calculated per fiscal year. All other plans are calculated per calendar year. Qualified hours are determined by whether the retiree works in an eligible position as defined by the Department of Retirement Systems (DRS).

District Responsibilities

The district shall abide by the following process when considering a retiree for employment:

- A. The board of directors shall approve a process for recruitment and selection of employees, including those vacancies for which a retiree applicant may be considered.
- B. Applicants shall be evaluated and considered equally, selecting the candidate who best meets the needs of the district.
- C. There shall be no prearranged employment agreement or commitment to rehire an employee after retirement. Mere inquiries about post-retirement employment do not constitute an agreement.
- D. Employees shall be limited to a maximum of a one-year, non-continuing contract or appointment.
- E. Subject to any applicable bargaining agreements, vacancies filled by retirees shall be annually reviewed by the board to determine whether the retiree will be rehired for another year of employment.
- F. The district shall provide the retiree with the same terms and conditions of employment as other appointees or employees in comparable positions with the exception of sick-leave cash-out.
- G. The district shall report the number of hours worked by the retiree to DRS.

Retired Employee Responsibilities

The following conditions of employment shall apply to retirees that are re-employed:

- A. Retired applicants shall disclose to the district whether they are retired from a Washington state retirement plan.
- B. Employees must satisfy the DRS requirement for separation and retirement from service prior to accepting a retiree/rehire position with the district.
- C. Retirees are subject to the same collective bargaining membership as other one-year temporary employees.
- D. Retirees are responsible for tracking service hours during post-retirement employment among multiple employers.
