Program Application

The Port Townsend School District Online Education program is designed to provide program options for students in grades 1-12. Program plans will be developed by a PTSD certificated staff member in collaboration with the student/parent and will include courses offered through Edgenuity Courseware.

For the 2021-22 school year Port Townsend School District is piloting an online program for students in grades 1-12.

COMPLETE THE FOLLOWING:

Student's Full Name: _____

Current Grade Level: _____

Birthdate: _____

Name of Parent(s)/Guardian: _____

Preferred phone: (____) _____

Email: _____

EDUCATIONAL HISTORY

Last school attended: _____

In compliance with RCW 28A.225, please answer the following:

Does your student have:

Any history of placement in Special Education? (IEP)	YES *	NO
Any health concerns affecting your educational needs?	YES	NO
Any past, current or pending disciplinary action?	YES	NO
Any history of violent behavior?	YES	NO

If you answered YES to any of the above question, please explain: _____

* Please note: Students may need parent transportation to other school buildings to continue direct special education services. While we individualize instruction where we can, direct services are NOT provided through Online Program classes.

(continued on back)

Enrollment (Circle one)

Are you seeking: Full-time enrollment _____ Part-time enrollment ** _____

** Limit:

Grades 1-5: Full time enrollment only. (Exceptions may be made for special services that are best provided with a part time enrollment at another school.)

Grades 6-12: Full time enrollment is given priority. A minimum of 0.5 FTE (3 courses) is required, and will be enrolled as space is available.

OCEAN students do not need to meet the 0.5 FTE requirement, but should complete the application for the online program if they would like to take one or more online courses.

If sharing enrollment with another school/campus, please list other schools and classes the student will be connected with this year. (If home-based, please contact us directly about part-time enrollment):

Device and Internet Access_____

To help us plan for student technology needs please respond to the questions below. Wifi hotspots are available to students who qualify for free and reduced lunch that do not have access to the internet. School chromebooks are available for check out to students in the online program.

The student has access to a reliable internet connection for daily online work.

_____ Yes _____ No

_____ My student would need a school issued chromebook.

_____ We will provide our own computer that meets the minimum technical requirements. (see webpage)

Online Program Parent/Guardian Understandings

Please initial each statement to indicate your agreement.

_____ I understand that if the student does not make successful progress in the program for three consecutive months then they will be transferred to another Port Townsend School. Successful progress is defined as on track progress for course completion.

_____ I understand that the student must make weekly contact with the teacher and attend a monthly progress meeting. Meetings can be in person or virtual.

_____ I understand that a Parent/Guardian will receive a weekly progress email update and are responsible for supporting and monitoring student progress.

The information provided above is true to the best of my knowledge. I understand that this is an application for the Port Townsend Online Program and that it does not guarantee entry to this program. While we are waiting for acceptance into the program, my child will continue to participate in his/her current educational program or will be considered truant per RCW 28A.225.

PARENT Questionnaire

Use as many specific examples as you can when answering these questions. You may use additional sheets of paper and attach them to this page.

1. Why have you chosen to apply to this particular program? In what ways do you anticipate that it can fill your child's educational needs?
2. What are your long-term educational goals for your child? Given what you understand about his or her learning styles and needs, outline what you believe would be the best possible educational situation that would help you achieve those goals?
3. State your thoughts about your participation in your child's education.
4. Describe how the student has been successful with distance learning during the 2020-21 school year.

STUDENT Questionnaire

Please answer these questions after thinking about them carefully.

1. Describe your "style of learning." How do you learn best?
2. Tell us about what you do well. What do you do when you're not in school?
3. List 5 subject areas or topics you are excited about or areas where want to expand your learning.
4. What academic areas would like to improve upon?
As you list each, tell why you want to be better at those skills.
5. Describe how you were successful with distance learning during the 2020-21 school year.
