- problem-solving abilities in social studies-related situations

To measure this content at a range of levels of complexity, several different item types are used in the test, including multiple choice, drag-and-drop, hot spot, and fill-in-the-blank.

How do I register to take the test?

All test registrations must be completed online through MYGED at www.ged.com. Once on the website, you will create an account, select a test date and center, answer a few questions, and pay your test fee (via credit card or prepaid voucher that you obtain from the test center that offer that service).

How much does the test cost?

The entire test battery of 4 subjects costs \$120. A single test is \$30. There is no separate registration fee. Re-takes are \$10.00.

What if I don't have the money to take the test?

Students who obtain scores of 145 or higher on the Official GED Ready Practice test qualify for a scholarship. Check with our office for more information.

How much do services offered at Patrick County Adult Education cost?

All classes and services are FREE! If you know anyone that needs their High School Equivalency (GED®) certificate, share this information with them!
