Become a Purple & Gold Club or Turf Team Member

Astoria High School offers the following advertisement package for businesses or individuals to contribute to Astoria Athletics and Activities.

Purple and Gold Club members make an annual contribution of \$2000. Turf Team members make an annual contribution of \$1500.

The AHS Athletic Department will also recognize contributions of varying amounts. Astoria High School receives enough money from the school district and revenue from gate receipts to pay most of our coaching stipends, transportation, and official fees. However, each year we rely on advertising and/or donations to make up a roughly a \$30,000 shortfall. We also must budget approximately \$20,000 per year to help with our "Turf Fund", which is our fund created to help offset the cost of turf maintenance at turf field facility, CMH Field. We accept donations of all dollar amounts but we have specifically created advertising packages for dollar amounts of \$500, or \$1500, or \$2000. Please contact AHS Athletic Director, Howard Rub, via email at hrrub@astoriaak12.org or via cell, 503.298.9419, for more information.
