

James J. Vacca, Principal

November, 2022

Dear Parents and Guardians:

I would like to invite you to become a member of the John H. Glenn's School Site Council. The purpose of this council is to provide a cooperative means of improving educational programs and conditions within our school.

The council will include parents, community members, teachers, board of education members, and the principal. The group will meet for one hour to discuss and vote on topics that will directly affect the staff and students of the Glenn School. For example, next month we will discuss the school's yearly educational objectives, the Glenn Code of Conduct, and the Title I Unified Plan. Each member's vote and voice will assist in making many important decisions.

If you are an involved parent who wants to have a voice in your child's education, or a concerned community member that wants to make a difference, please consider joining the council. Remember, when schools and parents work together, students excel.

Our next meeting will be held **December 8th at 7:00 pm in the John Glenn Art Room.** **There is also an opportunity to participate virtually.** If you wish to participate, please call Mr. Vacca at **(856) 783-4100.**

I am looking forward to working together in order to continue the educational excellence and proud traditions of the John H. Glenn School.

Sincerely,

James J. Vacca
Principal
