Good Morning Parents and Students:

I hope that everyone had a wonderful holiday break this past week. I would like to thank everyone for your patience and continued support as we navigate the issues that the pandemic has brought upon all of us. Unfortunately, Overbrook and the Pine Hill Middle School will need to change our schedule for the remainder of the week to accommodate ongoing staffing issues at both schools.

**Overbrook and the Pine Hill Middle School** will be moving to fully remote learning this **Wednesday through Friday, January 5th - 7th**. Both schools will operate on our regular half day schedules. Students will be responsible to log into every class using Google Meet on their Chromebooks. Students will be responsible to complete assignments for each class as well. Below you will find the links to our half day schedules. Students must be logged in by the beginning of homeroom to be counted as present for the day.

Information regarding breakfast and lunch as well as technology support for devices will be forthcoming in a second communication. Please reach out to your main office with questions.

Our hope is that this is a temporary situation. However, this pandemic has taught all of us to be flexible and to expect the unexpected. As always, if and when our plans need to change, you will be the first to know. Thank you for your support. We couldn't do this without your help.
