Attention Overbrook Parents and Students:

I hope that everyone got through our remote learning days with little interruption. Remote education is not ideal and our goal is to maintain in person learning whenever possible. To that end, we have come up with a plan for the **next 2 weeks** that will allow our students to remain in the building and lower the chance that they will need to quarantine for lengthy periods of time. This new schedule also gives us flexibility when addressing staffing shortages.

Beginning **Monday, January 10th**, we will implement a modified in-person learning schedule where our students will return to **in person** learning. The students will begin school at the normal time. However, students will be dismissed at 12:15. Students will get “grab and go” breakfast in the morning, as well as a bagged lunch to eat at home, all at **no charge**. There will be **no virtual learning** in the afternoon after students arrive home. Remote instruction will only be available for students who are quarantining due to covid exposure or infection.

Our current plan is to run this schedule from **January 10th - January 21st** with the exception of **Friday January 14th** which is an already scheduled half day, *ending at 11:30*, for teacher inservice. I will send reminders prior to that day as well. We will continue with a normal sports schedule and the Twilight program will remain the same as well. Project Success will be available virtually from 2:10 - 3:00 pm.

As always, thank you for being such a supportive community! If you have any questions, please contact our offices. I have linked the new schedule below.

Sincerely,

Adam Lee
