Genesis 1/15-18

15 and let them be lights in the expanse of the heavens to give light upon the earth.” And it was so. **16** And God made the two great lights—the greater light to rule the day and the lesser light to rule the night—and the stars. **17** And God set them in the expanse of the heavens to give light on the earth, **18** to rule over the day and over the night, and to separate the light from the darkness. And God saw that it was good.
