Students have a locker assigned to them. Access to these lockers is limited throughout the day, but students are allowed to retrieve materials on an as needed basis. Students are encouraged to keep extra supplies in their lockers along with lunches, coats, and other materials not needed for classes.

Students will have a chromebook and charger assigned to them. The chargers cannot be stored in the cases behind the chromebook, as this damages the screen. It is strongly encouraged to keep chargers at home and charge chromebooks nightly, rather than during the school day.

We look forward to seeing you soon!
