

# Jefferson Student Handbook

**2022-2023**

## **SCHOOL DAY AND ATTENDANCE**

### **ABC SPECIALS SCHEDULE**

Students will have specials classes (Art, Music, Physical Education) on a three day rotation basis known as an ABC schedule. Each day of the week will be assigned a letter (A, B, or C) and your child(ren) will have 45 minutes of a specials class during their assigned time. Your child(ren)'s teacher will communicate what special will be for each day and share information about this schedule.

### **ATTENDANCE**

All students are expected to be in attendance each day school is in session. Reasons for which students may be absent;

- Illness (fever of 100 or above, vomiting, serious contagious illness)
- Family emergency or tragedy
- Trip with parents provided absence has been arranged in advance with the school principal by parents. (Please prearrange with the office)
- Medical or dental appointment
- Recognized cultural observance or service

If your child is absent, please call our attendance line at 920-663-9529. This will allow you to leave a message at any time. If a call is not received by 9:00 AM, the office personnel will send a robocall to remind you to call and verify the absence. **Please remember parents can excuse their child/children up to 10 days per school year.**

### **TRUANCY PROCEDURES**

By Wisconsin statute 118.16, truancy is defined as any absence of part or all of one or more days from school during which a school official has not been notified of the legal cause of such absence by the parent or guardian of the absent pupil, and also means intermittent attendance carried on for the purpose of defeating the intent of the compulsory attendance law.

If determined that a student has been truant, school officials may require a student conference, parent conference, counseling, detention, or suspension to deal with the problem.

Wisconsin Act 239 defines "habitual truant" as: "A student who is absent from school without an acceptable excuse for part of all of 5 or more days on which school is held during a school semester." When a child first becomes a habitual truant according to this definition, notice must be sent to the parent or guardian by registered or certified mail." A truancy meeting will be held with the principal, parent and child.

Parents or guardians have the responsibility, under Wisconsin Law S.118.15 (1) (a) to cause their child to attend school regularly. In accordance with Wisconsin statute, the Manitowoc Public School District has adopted a truancy plan which is on file in the office of each building principal.

## **BEFORE SCHOOL INCLEMENT WEATHER PROCEDURE**

As the school grounds and doors do not open until 8:00 am, students will not be allowed entrance to the building if they arrive before the scheduled time. Students who receive bus transportation, will be brought to the Jefferson lobby.

## **DISTRICT SPECIFIC INFORMATION**

### **VISITORS, VOLUNTEERS AND GUESTS TO THE SCHOOL**

Adult family and community members are always welcome to volunteer at school. Classroom and library volunteers are always needed. If a family or community member wishes to help in the school, call or email your child's teacher or the school principal to make arrangements according to the school's needs and your schedule. If you could help in preparation of materials, reading with students, or if you have a hobby or skill to share, inform the school accordingly.

**Parent volunteers in the classroom and on field trips will need to have an electronic background check completed prior to volunteering or a field trip. Once you provide us with your email, you will receive information from the MPSD Human Resource Office. This process should take place at least one week in advance to ensure enough processing time.**

For the welfare of students and to facilitate the orderly operation of schools, all persons except for registered students, faculty and employees of the Manitowoc Public School District, are required to register in the school office for authorization to be in any school building or on the school grounds. Visitors will need to have their driver's license and will be registered through our Raptor system. Visitors will wear a visitor's badge, which must be returned to the office when leaving the school. Loitering in the school buildings or on school grounds by unauthorized personnel is prohibited.

### **STUDENT DIRECTORY DATA**

The MPSD considers the categories listed below to be student directory data. Unless a parent/guardian denies permission in writing, this information may appear in news releases and may be shared with the public under the open records law.

- Student name and age
- School and grade level
- Honors and awards received
- Participation in school-sponsored activities and sports
- Photograph
- Name of previous school(s)

A parent may deny the release of some or all of the items by submitting a written request to the child's principal annually by the third Friday in September or within 14 days if the child enters the MPSD after the school year has begun.

## **SCHOOL CLOSING**

At times of inclement weather, tune in to the following to get further details on school closings or delays: Radio Stations -- WOMT-WQTC (1240AM - 102FM), WCUB-WLTU (980AM - 92.1FM), WLKN (98.1FM), WIXX (101.1FM) and WTRW (1590AM) – Television Stations – Channels 2, 5, 11, and 26. You will also receive a phone call, text message, and/or email from the MPSD automated calling system.

**\*\*Please make sure you have provided the school with your current phone number and email address o receive these calls/texts/emails. If your personal contact information has changed please call the office at 663-9530\*\***

## **CONFERENCES**

Parents/guardians of students will be invited to attend two scheduled conferences, one in fall and one in the spring. Both conferences are by appointment. Parents/guardians will receive information on how to schedule a conference prior to the fall conferences. The time that has been selected will also be the time scheduled for the spring conference as well. Dates are listed on the MPSD online calendar.

## **STUDENT PROGRESS**

Students' academic progress is reported to parents at least four times during the school year – or more often if your child is having difficulty in any subject area or doing exceptionally well in one. Please feel free to **make an appointment** to talk to your child's teacher at any time regarding their progress. If your child is experiencing academic or behavior problems in school, you will be notified. The school needs your help and support in order to help your child learn and develop in many ways. Parent teacher conference opportunities will be held once in the fall and once in the spring.

## **STUDENT LEARNING MATERIAL CARE AND FINES**

Student learning materials (textbooks, library books, technology) are supplied for students. Please be respectful of these materials by keeping them clean, safe and dry, and away from pets.

Fines will be charged for damaged or lost materials.

Lost Textbook--full replacement cost

Damaged Textbook--Fines depend on the nature of the damage.

Library Book--Cost will be determined by library personnel based on the value of material.

Chromebooks --\$150

Chargers--\$15

Hotspots--\$25

## **SCHOOL SPECIFIC INFORMATION**

### **BIKES, SKATEBOARDS/SCOOTERS/ROLLER BLADES**

Bikes, skateboards, scooters, roller blades or roller skates, or any other wheeled forms of transportation are not to be used on school property during school hours, except with prior approval. Students may ride these items to and from school, provided they stop using them upon arrival at the edge of the school campus. If a student repeatedly does not comply with this request, the privilege to ride the equipment to school will be revoked. **The school is not responsible for these items of personal property brought to school by students.**

- Bicycle riders are expected to ride in a safe manner.
- Bikes should be licensed with the City of Manitowoc.
- Bikes must be locked in the bike rack.
- No wheeled transportation is to be ridden on the playground.
- Helmets are **STRONGLY** encouraged when using any wheeled transportation.
- Students in Kindergarten, first, and second grades are discouraged from using wheeled transportation to get to and from school.
- Students are **STRONGLY** encouraged to wear knee and elbow pads with wheeled transportation other than bicycles.

### **BIRTHDAYS**

Students may bring birthday treats to school if they choose to celebrate with their peers. Students will be able to share treats with their classmates, specialists, and office staff. Students will not be permitted to deliver treats to other classrooms. Treats should be individualized or pre-cut. Please work with your child's classroom teacher to identify any dietary restrictions for your child's classroom.

### **FIELD TRIPS**

Parent permission is required for field trips. Please make sure to watch your child's Friday folder for these forms. Forms will need to be signed and returned back to your child/children's classroom teacher.

### **FRIDAY FOLDERS**

Each Friday, or last day of the week, students will bring home a folder that will contain school/community related notices and/or special forms. Be sure to take all the papers out that need to remain at home, fill out and sign any needed communication, and return it the next school day with your child (ren). This process has reduced the constant trickle of notices that could come home daily.

If you have more than one child, please be sure to look through all their envelopes. There will be some duplication of materials, but there will also be information specific for each child.

## **GUIDELINES FOR BUS RIDERS**

Students who ride the school bus are expected to conduct themselves in an appropriate manner while waiting for the bus and while riding the bus. Misbehavior will result in parents being notified. When a second report is issued, parents will be notified and other restrictions will be imposed. A third report will result in suspension from riding the bus for up to five (5) days. A serious act endangering the safety of other students may result in immediate suspension of riding privileges. When students do not ride the bus home, the school office **must** be notified by the parents. Passengers will not be permitted to board or exit a bus except at home or school unless their parents have made special arrangements. These arrangements must be submitted in writing. Passengers must be ready to board when the school bus arrives.

If you have questions for Brandt Bus, please contact them at 682-8823.

## **NEWSLETTER**

School newsletters to parents are sent electronically via email and text message on a regular basis. Parents should make sure to read it and keep it for reference as this is our primary communication with parents providing lots of information about events, activities, general information, etc. **If you are not receiving this communication, please call the Jefferson office to update your contact information.**

## **LOST AND FOUND**

Mark clothing and personal items with your child's full name so that if items are misplaced, they can be returned. Unidentified items are turned into the "lost and Found". Glasses, jewelry, and keys are kept in the office. At the end of each quarter unclaimed items will be given to charity.

## **MONEY AND VALUABLES**

**The school cannot be responsible for money and items of value, including cell phones, brought to school by students.** There is seldom a valid reason for students to have such things as money, toys, or electronics in school. If money is needed for a school-related item (school pictures, etc.,) the school office or classroom teacher will notify you. When sending money to school for any reason, please send the correct amount in an envelope so students are not responsible for handling change. These personal items should not be brought to school unless special permission is given by a staff member. Electronic devices are not allowed in school or on the school grounds, except for cell phones, which should be turned off and stored upon entering school property. If you are not sure if an item can be brought to school, please call the office to check at 663-9530 or contact your child's teacher.

## **PARENT TEACHER ORGANIZATION (PTO)**

The Jefferson Parent Teacher Organization is a vibrant, caring group of adults who strive to enhance the educational opportunities for our children. The interest and energy of concerned parents is perhaps the best tool we have in the education of our young people! Our meetings are held on the third Monday of the month at 5:00 pm in the Jefferson School Library. Please check the Jefferson PTO Facebook page for more information.

## **PETS**

No animals may be on school property during school hours or for school events. **Parents and guardians should not bring dogs to the school property when they are picking up or dropping off children.**

## **PLAYGROUND/RECESSES**

Students will have two daily opportunities for recess (AM and PM) as the weather permits and should dress accordingly. Many activities are available for students. To keep the playground safe, students should use only the playground equipment and materials provided to them by the school. **The school will not assume responsibility for broken or stolen property or assume liability for equipment that is brought from home. We highly encourage students to not bring items from home.** We encourage students to play together during this time. However, rough and inappropriate behavior on the playground or playground equipment can cause injury. Tackling and throwing of snow/ice or pea gravel is not allowed at any time.

When cold temperatures are involved, the "feels like" temperature of zero (0) will be used to decide whether recesses are to be inside or outside. **If there is a health concern that prevents a child from going outside, please provide a doctor's prescription including the number of days the child is to remain inside.**

## **REQUEST TO LEAVE SCHOOL EARLY**

A request to have a child excused from classes early should be sent with the child on the morning of the dismissal or called in to the school office ahead of time. The time and reason for leaving should be included. **The parent, or an appointed adult, must then sign the student out in the office before the child can leave the building.** When possible, medical and dental appointments should be made outside of school hours. When the student returns to school, they must sign in at the office. Should a medical or dental appointment take place during the school day, please provide a doctor's excuse upon returning to school.

## **ILLNESS OR EMERGENCY**

If your child becomes ill or is seriously injured, the school will call you. Therefore, it is **very important** that you provide the school with current emergency phone numbers! Inform the school of any changes. Be sure to notify the school whenever your home phone number changes (even if the change is temporary.) **We must be able to reach you or someone you designate in case of an emergency.**

If your child is absent, you are asked to call the school at 663-9529. This will allow you to leave a message at any time on our attendance voicemail line. If a call is not received by 9:00 A.M., the office personnel will send a robocall to your home to verify attendance.

## **STUDENT DRESS**

Clothes that students wear to school should maintain an appearance that does not distract from the learning environment. Clothing displaying inappropriate language, pictures, and promotions of alcohol, drugs, or tobacco use are prohibited. Hats and other items worn on the head such as

bandanas are not allowed in the school building. Students attending school inappropriately dressed will call home to obtain other clothes or be given other clothes to wear from school. Remember to have tennis shoes for your children on days they have physical education classes. Trends come and go; additions may be made to this list at the discretion of the Principal. Each staff member is at liberty to make decisions about the appropriateness of student clothing and appearance and refer the child to the office.

## **STUDENT PICK-UP AND DROP-OFF**

All students meet at their assigned entrance **starting at 8:00 AM**. At dismissal, students will exit out of their same assigned door.

Arrival time: 8:10 A.M. -- All students need to be at school through assigned entrances.

Please be prompt when picking students up at the end of the school day. We do not permit students to stay on school grounds after school unless they are participating in a school-sponsored activity. Students are dismissed at 3:10 P.M. and should be picked up no later than 3:20 PM.

**Anyone who comes to pick up a child at the end of the school day should have a designated pick up spot on the playground when the last bell rings at 3:10 P.M. In order to ensure school safety, parents will not be permitted to wait in the hallways near the classrooms. The same goes for siblings who need to meet each other.**

If you need to talk to your child(ren)'s teacher, please make a pre-arranged appointment with your child's teacher and check-in at the office accordingly.

**No pick up or drop off traffic should be in the parking lot section before or after school.** This area needs to remain unobstructed for the few buses we have servicing our students and for staff. The parking lot will be blocked off before and after school. Please make arrangements to pick your child(ren) up at another location along Manila Street, east side of 14th Street, or north side of Division Street. There are many other side streets where families can park and walk to the playground to pick up children. Children may not leave school during the school day without an adult signing them out of the office. No one is permitted to enter the playground to speak to or to pick up a child during the school day. During the school day children must be picked up in the office only. All visitors must come directly to the office and register.

## **TIME SCHEDULE**

8:00 A.M. Doors open for student arrival  
8:10 A.M. Students should be at school  
11:00-12:30 -- Lunch Periods  
3:10 P.M. School dismisses

**Children should not arrive at school before 8:00 A.M.** They are not to enter the building before this time unless arrangements have been made with a teacher or the principal. **The playground is closed to students before and after school.**

## **FOOD SERVICE**

### **MEAL PROGRAM**

The Manitowoc Public School District has contracted Chartwells to manage and carry out our school lunch program. This lunch program will comply with all guidelines for the National School Lunch Program. Each day your child (ren) will have the opportunity to select from several options offered to make up the school lunch.

Chartwells will use a debit account system to manage payments and purchases in Infinite Campus. Under this system, parents and guardians can deposit money directly into an account established for their family. Information for this system can be found on the Manitowoc School District website, under Services, then Food Services. Online payments will be posted to the food service account immediately. If you have questions about your food service online account or want to know more about the food service program, please contact Pam Kretsch at [kretschp@mpsd.school](mailto:kretschp@mpsd.school) or call 920-686-4773. The system is not a charge account and payment must be received prior to the purchases.

Cash or check payments will be posted to the account the following school day after being received. A drop box for payment is located outside Room 100.

#### **For the 2022-23 School Year:**

MPSD is participating in the Community Eligibility Provision (CEP) for the 2022-23 school year. CEP allows us to serve a FREE breakfast and lunch meal to all students each school day regardless of Free & Reduced eligibility!

If a student chooses to take milk without taking a complete breakfast or lunch meal, ala carte milk charges will apply and the student's food service account will be charged for the milk.

**\*MPSD will still be requesting Free & Reduced applications from households with a student participating in the CEP;** however, receipt of free breakfast and lunch meals does not depend on returning it. **Completing the application is still necessary for other programs like waiving school fees and P-EBT and may be used to determine if your household is eligible for these additional benefits.**

**A new Free & Reduced application must be completed each year unless you received a letter from the district stating you are already approved.** Applications are included in the Back to Basics mailing. If you need another one please contact the Manitowoc Public School District Administration Office at 686-4777. Applications can also be found on the MPSD district website under Services, Food Service, then Free & Reduced. You may also apply online in your Infinite Campus Parent Portal; Meal Benefits. Only one application needs to be filled out per household. Should you have any questions while completing the application, please contact Pam Kretsch at

686-4773.

Please direct all questions to Chartwells Food Service Director at 920-686-4774.

### BREAKFAST AT SCHOOL

Breakfast will be available for free for all students in the classroom. This will be offered to students first thing in the morning.

### LUNCH AT SCHOOL

Students eat lunch in a portion of the gym designated as the lunchroom. **Microwaves are not available.**

The student lunch scheduled times are listed below:

11:00-11:30 -- Grade K & 3  
11:30 to 12:00 -- Grade 1 & 4  
12:00-12:30 -- Grade 2 & 5

### MILK FEES

**Breakfast Milk** - Milk served with breakfast will be free for students. Students must take the breakfast to get milk.

**Lunch Milk** - Students may purchase an ala carte milk for 35 cents, which will be deducted from their Food Service account.

## School Safety

### SAFETY PATROLS

5th graders will have the opportunity to participate in Safety Patrol throughout the school year. Patrol permission forms will be sent home after student training and should be returned for students to participate. It is important that students that participate in Safety Patrol demonstrate responsibility by attending assigned shifts and following protocol shared during training.

### TOBACCO, ALCOHOL, AND OTHER DRUGS

#### Smoking

State law forbids smoking or the possession of smoking materials for people under the age of 18. Students are not permitted to smoke or possess smoking materials IN or AROUND school. Violation of the smoking policy will result in disciplinary action and city ordinance citations. All Manitowoc Public School District buildings are designated as tobacco free. Use or possession of tobacco in any form in or around the school building, on the school bus, or during any school-sponsored activity is prohibited for everyone.

#### Alcohol/Drug Use

The use, possession, sale or intent to sell, transfer of drugs, or other substances for non-medical purposes is prohibited. The use or possession of drug paraphernalia (as defined in State Statutes 161.571-577) or alcohol is prohibited. Having illegal drugs, chemicals or alcohol in a person's system in or on school property, in any district owned or contracted vehicle or at school-sponsored events is prohibited.

## **CELL PHONES**

**Students are allowed to have cell phones at school but they must be OFF from the moment they step on the school grounds until they are off school grounds. These need to be stored in the classroom with the teacher or in the student's locker/backpack.** Students are not allowed to use cellphones in school or on the playground. If students are found using their cellphone at school they will turn them into the office for the day. The student can pick it up at the end of the day. If the student is using their cell phone a second time without permission it will be in the office and a parent will need to come in to retrieve it. However, use of such a device may be permitted under the direction of the building principal/designee for medical, school, educational, vocational, or other legitimate use.

Wisconsin statute 175.22, Act 118 prohibits the use of any cell phone, camera or other recording device to capture, record or transfer a representation of any person or part of a person.

Cell phones, cameras, or other recording devices are strictly prohibited in MPSD restrooms or locker rooms.

**The MPSD is not responsible for lost/stolen cell phones or other electronic devices.**

## **WEAPONS**

Board of Education Policy 5772

The Board of Education prohibits students from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the District for the purpose of school activities approved and authorized by the District including, but not limited to, property leased, owned, or contracted for by the District, a school-sponsored event, or in a District vehicle, to the extent permitted by law.

The term "weapon" means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms (including, but not limited to, firearms as defined in 18 U.S.C. 921(a)(3)), guns of any type whatsoever, including air and gas-powered guns (whether loaded or unloaded), knives, (subject to the exceptions below) razors, with unguarded blades, clubs, electric weapons, metallic knuckles, martial arts weapons, ammunition, and explosives.

The District Administrator will refer any student who violates this policy to the student's parents or guardians and may also make a referral to the criminal justice or juvenile delinquency system. The student may also be subject to disciplinary action, up to and including expulsion.

Policy exceptions include:

- A. weapons under the control of law enforcement personnel;
- B. items pre-approved by a principal, as part of a class or individual presentation under adult supervision, including, but not limited to Hunters' Education courses, if used for the purpose and in the manner approved (working firearms, except those protected at all times by a cable or trigger lock, and live ammunition will never be approved.

## **District Policies**

### **BOARD OF EDUCATION POLICIES**

All district policies are available online at [www.manitowocpublicschools.org](http://www.manitowocpublicschools.org).

### **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

According to the Family Education and Privacy Act of 1974, student information and records are made available to custodial parents. The Manitowoc Public School District, in its attempt to promote the best interests of each student enrolled in its school in partnership with both parents of the student, shall maintain strict neutrality between parents who are involved in a divorce, legal separation or annulment whether pending or completed unless otherwise directed by a court order. Both parents, upon request, will have access to their child's grade reports, notices of school activities, disciplinary actions, notices of teacher or principal conferences, etc., unless the custodial parent provides the school's principal with written evidence of a court order prohibiting the non custodial parent from such access. If you have any questions contact your child's school principal.

## **District Health Policies**

### **HEAD LICE PROCEDURES**

In the event that a child has been diagnosed as having head lice in the Manitowoc Public School district, the following procedure will be followed in addition to the detailed recommendations for control of head lice in the home. The reference sheets in the office should be distributed to all families that are faced with this issue in their home.

**Protocol:** Students diagnosed with live head lice will be contacted by school with information about treatment and information will be sent home. The student can go home at the end of the day, be treated and return to school following acceptable treatment. Students diagnosed with live head lice should be discouraged from close direct head contact with others. If the student has long hair they are to be encouraged to tie the hair back.

**Treatment:** There are many acceptable treatment options: however, treatment with a product that is a pediculicide is the most sure way to kill lice and prevent further re-infestation. Please follow package directions, nit combing, re-treatment directions, and home clean up. (see school nursing pamphlet) There is no scientific evidence that home remedies are effective.

**Return to School:** Following return to school, students will be checked to ensure that there are no live lice present. **A student will NOT be readmitted to school with live bugs.**

Information will be sent home to alert parents if there are three or more children in a classroom in 30 days that are infested with lice.

## **MEDICATION DISTRIBUTION**

The Manitowoc Public School District Policy 5330 states:

### **5330 - ADMINISTRATION OF MEDICATION/EMERGENCY CARE**

The Board of Education shall not be responsible for the diagnosis and treatment of student illness. The administration of medication to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication were not administered during school hours, or the child requires medication to benefit from his/her educational program.

For purposes of this policy, "practitioner" shall include any physician, dentist, podiatrist, optometrist, physician assistant, and advanced practice nurse prescriber who is licensed in any state. "Medication" shall include all drugs including those prescribed by a practitioner and any nonprescription drug products. "Administer" means the direct application of a nonprescription drug product or prescription drug, whether by injection, ingestion, or other means, to the human body. "Nonprescription drug product" means any over-the-counter drug product which may be sold without a prescription order and which is prepackaged for use by consumers and labeled in accordance with the requirements of State and Federal law.

Before any prescribed medication may be administered to any student during school hours, the district medication consent form must be completed by parent and physician.

Nonprescription drug products may be administered to any student during school hours only with the prior written consent of the parent. Only those nonprescription drugs that are provided by the parent or guardian in the original manufacturer's package which lists the ingredients and dosage in a legible format may be administered.

The document authorizing the administration of both prescribed medication and nonprescription drug products shall be kept on file in the administrative offices.

Only medication in its original container; labeled with the date, if a prescription; the student's name; and the exact dosage will be administered.

No student is allowed to provide or sell any type of medication to another student. Violations of this rule will be considered violations of Policy 5530 - Drug Prevention and of the Student Code of Conduct.

Medications will be administered and the instruction and consent forms will be maintained in accordance with the District Administrator's guidelines.

Any staff member authorized in writing by the District Administrator or a principal, is immune from liability for his/her acts or omissions in administering medication including, but not limited to glucagon and epinephrine, unless the act or omission constitutes a high degree of negligence. Such immunity does not apply to health-care professionals.

All prescription medication shall be kept in a locked storage case in the school office, unless the medication is an emergency medication which the student is authorized to carry and self-administer by authorization of both the parent and practitioner, and the possession of such medication by the student in school is not prohibited by law or regulation.

The Board shall permit the administration by staff of any medication requiring a delivery method other than oral ingestion when both the medication and the procedure are prescribed by a practitioner and the delivery is under the supervision of a licensed nurse, provided that the staff member has completed DPI training and that staff member voluntarily agrees to deliver the medication. No staff member, other than a healthcare professional, shall be required to administer medications that are administered by means other than oral ingestion.

Any staff member or volunteer who, in good faith, renders emergency care to a student is immune from civil liability for his/her acts or omissions in rendering such emergency care.

Any district administrator or principal who authorizes an employee or volunteer to administer a nonprescription drug product or prescription drug to a student is immune from civil liability for the act of authorization unless it constitutes a high degree of negligence or the administrator or principal authorizes a person who has not received the required Department of Public Instruction training to administer the nonprescription drug product or prescription drug to a student. School nurses, as district employees, are regulated by the Wisconsin Nurse Practice Act and are therefore not necessarily immune from civil liability.

The school nurse(s) providing services or consultation on the District's Emergency Nursing Services Plan has provided assistance in the development of this policy and will also provide a periodic review of the written instructions, parent and physician consent forms, the Medications Administration Daily Log(s) and any reported errors in medication administration.

The District Administrator shall prepare administrative guidelines to ensure the proper implementation of the requirements of this policy.

118.29, 118.291, 121.02 Wis. Stats.

PI 8.01(2)(g)

Wis. Admin. Code N 6.03

2009 Wisconsin Act 160

Revised 2/10/15

## **STUDENT IMMUNIZATIONS**

Wisconsin State Law requires immunizations of all students. The law requires that proof of immunizations be submitted or a signed waiver claiming health, religious or personal conviction exemption be submitted.
