

Board of Directors Meeting

June 16, 2022

5:00 Regular Session

Engaged * Hopeful * Kind * College * Career * Community Ready

Mission: We build relationships and experiences that create good thinkers and great people.

Vision: McKinley Academy engages students in relevant, real world learning as well as develops their character and resiliency within the context of a small, flexible, and relational learning environment. Engaged in meaningful coursework and community, students develop an understanding of their interests and talents and how they might contribute to the world once they have left our school. Students graduate engaged, hopeful, and kind.
