MPSD Assessment Calendar - 2022-2023

Our MPSD Assessment Calendar provides a road map for implementing a strategic assessment model. According to the Wisconsin DPI, Strategic Assessment Systems emphasize:

- *the **purposeful alignment** of assessments and their resulting data to **drive decision-making**;*
- *the **critical role of formative practices** in driving teaching and learning; and*
- *the implementation of high quality assessments to produce, **with the least amount of testing, valid information** about students' readiness for college and career.*
