CALAMONDIN ORANGE

THE SMALL CALAMONDIN ORANGE HAS A BRIGHT ORANGE SKIN WITH A SMALL GREEN NOTCH AT THE TOP. ORIGINALLY FROM CHINA, THE CALAMONDIN ORANGE IS A LITTLE LARGER THAN A QUARTER AND TYPICALLY DOES NOT GET BIGGER THAN ONE INCH IN DIAMETER. THE SKIN IS THIN, EASY TO PEEL AND REVEALS AN EXTREMELY JUICY FLESH. CALAMONDIN ORANGES HAVE A LOT OF TASTE FOR ITS SMALL SIZE, OFFERING A SOUR TANGY FLAVOR.
