John Marinelli
Assistant Director of Activities and Athletics
856-223-2729

Dear Parent/Guardian:

We are pleased your child is participating in a Fall interscholastic sport and/or a club which travels for competition at Clearview Regional High School. We hope their participation will provide them with a very positive and rewarding experience. Clearview Regional High School District policy #2436 requires all students who participate in all levels of athletics or cheerleading, Marching Band, and High School Robotics to pay an activity fee. The fee for a single participant per season is \$75. The transportation fee of \$25 applies to all clubs which travel for competition. There is a family limit of \$300 per year for all fees. Participation fees are waived for students who have an approved 2022/23 Free and Reduced Lunch application on file at the school district.

Please note, the fees allow students to participate; however, it does not guarantee participation time in games. Decisions regarding playing time will be determined by the coaching staff. Students who become ineligible for academic, behavioral, attendance issues, or leave on their own accord, will not be granted a refund.

There are several payment options available. To ensure that your child receives proper credit for your payment, please fill out the bottom portion of this page and return it to the address below. All payments by check or money order are to be made payable to Clearview Regional High School District. We also encourage you to use our online payment system available at www.payschoolscentral.com. The online payment system accepts various payment methods including credit/debit cards and ACH. Once you are logged into PaySchools Central, please select "**all fees**" and locate the correct fee to make your payment. Please do not submit any payments to your child's coach or advisor. All payments for the Fall season are due by September 30, 2022 in order for your child to continue their participation. Any questions please contact the Athletics/Activities Office.

Sincerely,

Michael J. Vicente,
Director of Activities and Athletics
