

The following data is current as of February 28, 2022.

COVID Positive numbers are obtained from reports made to ACPS by parents and staff.

Quarantined numbers indicate the month in which a person's quarantine started.

All persons were not out of school during the same 10, 14, or 24 day period.

The running total of quarantined persons on any given day is less than the overall %.

Date	Status	# Students & Staff	% Overall
August	COVID Positive	20	1.06%
