

Reopening plan for 2020-2021 school year

As a non-classroom based charter school, Mt Lassen Charter School, will adhere to California Department of Education and public health guidelines for reopening during COVID-19. Our plan consists of all safety measures to keep students and staff safe during this time. Changes to our plan may need to occur from time to time based on changes with COVID-19.

Procedures

Students will have their temperature scanned before being allowed to enter school buildings or playgrounds. Students with a temperature of 100.4 degrees Fahrenheit or greater will be sent home

Students in grades 3-12 must wear masks or face covering while at school (school provided)

K-2 grade students are not required to wear face coverings at school but are strongly encouraged to do so.

Social distancing will be practiced by staff and students throughout the school day

All school staff will wear face coverings

Hand sanitizer will be provided and proper handwashing and hygiene will be expected

The school will provide PPE for students and staff that is required by state and local mandates. However, if you would like to use your own PPE that is acceptable

On-site learning for students in elementary grades will be arranged into a morning session tentatively scheduled from 8:30 am – 11 am and an afternoon session tentatively scheduled from 12 pm – 2:30 pm three days per week

Teachers will support off-site learning for elementary students using various forms of electronic communication two days per week and by appointment

High school students may participate in on-site learning at Herlong between 9 am – 2:30 pm Monday – Friday and through electronic communication by appointment

Students are allowed to bring their own snacks/lunch but will not be allowed to share their food with others.

Outdoor breaks will be monitored by staff to ensure students practice social distancing

Reopening guidance as outlined above will be followed with fidelity in accordance with state and local health requirements.
